

ST. ISIDORE THE FARMER ROMAN CATHOLIC CHURCH

GROW WHERE
YOU ARE PLANTED
CAPITAL CAMPAIGN

Thank you for your generous support!

Pledged: 3,201,764.31

The paving of the parking lot was a great improvement for our campus. Somehow, it accentuates our beautiful church more than before. It also makes better use of the space, since the west curb was set back, allowing for more parking spaces. The new parking lot has 138 spaces for cars, which is more than sufficient for our needs and gives us room to grow.

Very soon, workers will arrive at St. Isidore's to replace the roof. For the first time, sheathing will be put down under the roofing. This alone will solve many of our leaking problems. In addition, the roofers will be careful to install the gutter system in such away that water will leave the building properly and through sufficient downspouts.

These projects, which cost around \$200,000 and \$400,000 respectively, are happening because generous faithful have made large contributions to the Grow Where You Are Planted Campaign. They know that their hard-earned money takes on a special value—a supernatural value—when it is given for the benefit of Our Lord's house and the building up and growth of their traditional Catholic community. There is a double return on the investment: the material benefits for St. Isidore's and the supernatural benefits for the donors.

These first fruits of the campaign donations are only the beginning. In the midst of these projects, we have to keep in mind that we still have another ambitious goal in mind: we want to build a school building! To do that, we need to reach our goal of \$6.5 million by the end of the three-year campaign.

It is for this reason that I ask you to please continue your daily prayers for the capital campaign. Pray especially to St. Joseph that we may find more generous benefactors to support Grow Where You Are Planted. Thank you for all you have done and will continue to do for our campaign and for St. Isidore's!

God bless you,
Fr. Paul Robinson, SSPX
