Respond to our Mother's call

“The insistence with which the Blessed Virgin recommended this prayer indicates that it was she who inspired it. Let us respond to her urgent appeals and make the resolution for this month to say our rosary more and better.

And since good habits are going to support our loyalty, let's set a regular time to start it. Let us get off the phone for twenty minutes. Since it is often easier to keep a resolution together, let us join with others to recite this prayer.

The Church recommends reciting the rosary in common, especially where it is easiest, in the family. A family that says the rosary is blessed from heaven: “The custom of the family recitation of the Holy Rosary,” said Pius XII, “the Rosary, recited in common, assembles before the image of the Virgin, in an admirable union of hearts, the parents and their children, who come back from their daily work.”

How many graces are contained in the Immaculate Heart of Our Lady, which only ask to be poured out on us and on our families as long as we ask for them in prayer!” Fr. Hervé Gresland, <https://fsspx.news/en/news/saying-rosary-well-24558>
